

CELL BLOCK

SHACKLED RED

SONOMA COUNTY

Cell Block captivates with its dark and brooding personality...slightly edgy and mysterious, yet with an unexpected elegance.

BLEND

50% Zinfandel,15% Petite Sirah, 15% Cabernet Franc,
15% Cabernet Sauvignon, 5% Port

APPELLATION

Sonoma County's diverse geography allows grapes to thrive in a variety of sub climates. Cooling breezes and morning fog from the Pacific Ocean to the west are ideal for cool climate grapes and the mountainous regions that sit above the fog line are perfect for hot climate grapes that thrive in lots of sun.

TASTING NOTES

This hauntingly complex wine has broken out of the barrel, revealing delicious Zinfandel lead flavors, tied together with small percentages of Cabernet Franc, Petite Sirah, Cabernet Sauvignon and Port. The mélange of grapes delivers dark chocolate and ripe cherry flavors with rich aromas of spice and plum that are sure to seduce any unsuspecting victim.

FOOD PAIRING

A hickory smoked brisket would make a great cell mate or indulge in a devilish chocolate mousse for dessert.

ACCOLADES

90 Points • 2018 Ultimate Wine Challenge
Silver • 2017 San Francisco Chronicle Wine Competition
Gold • 2016 San Francisco International Wine Competition
