

HEDGELINE

PINOT NOIR

Oregon

Pacific Northwest Classics Perfected

A tribute to a diverse landscape of lush mountainous highlands and arid desert lowlands, the vines of the Pacific Northwest are unique in character and nature. The vineyards rooted here are bordered by a tapestry of hedges, dotted with colorful flowers and leaves of every texture, intertwining to form the Hedgeline.

TASTING NOTES:

Dark cherry flavors with hints of vanilla, caramel and toasted coffee bean. A fruit forward mid-palate and soft, mature tannins lead to a smooth, rich finish.

WINEMAKING NOTES:

Hedgeline Vineyards Pinot Noir grapes were picked at peak ripeness. The wine was fermented to hit an early high temperature peak and then cooled off to complete fermentation. This gave the wine great sweet extraction of flavor. The wine was aged nine months before bottling.

FOOD PAIRING:

Delectable with salmon topped with mango salsa or grilled chicken and mushroom pizza

REGION: Oregon **ABV:** 12.5%

UNIT SIZE: 750ml
