BORDEAUX

APPELLATION BORDEAUX CONTRÔLÉE

From humble beginnings on Rue de Perle, our wines embrace a long-standing commitment to unrivaled quality and reach beyond the ordinary for an uncompromising approach to the French joie de vivre.

TASTING NOTES

A full-bodied Bordeaux blend with aromas of bright red berry fruits, black cherry and warm spice. Flavors of ripe raspberry and boysenberry pâte de fruit are elevated by hints of pepper

APPELLATION

A cool maritime climate, which mitigates extremes of cold in winter and heat in summer, is ideal for the production of quality red and white wines. The soils–gravelly, sandy and clay– vary across the region, some being better for the earlier ripening Merlot grape, other microclimates favoring Cabernet Sauvignon.

FOOD PAIRING

The ideal partner to roasted red meats, particularly beef or lamb, but its balance and drinkability make it a versatile all-rounder at the table, as happy with spaghetti as grilled cheese sandwiches.
